

In an effort to make it more manageable for parents to attend Curriculum Night on Thursday, November 15, we are offering take-out plates from Fazoli's on a pre-order basis. This will take the dinner pressure off of parents and allow you to join us for this meaningful event. All proceeds from the dinner sales will go to Reading Rocks.

We will be collecting pre-orders for dinners from November 2, through November 13. Dinners will be delivered to NCIMS after Curriculum Night on Thursday, November 15.

Families must order and pay for their dinners in advance, then will pick them up at the end of Curriculum night by the front entrance.

Please indicate the number of each type of dinner ordered and the total cost below.
